 Robins AFB GA 31098-1639

SUBJECT: Interim Approval for Melamine Formaldehyde Aircraft Wash Pads (Corrected)

1. This letter provides interim authorization for Melamine Formaldehyde Aircraft Wash Pads available under the following NSNs to be used in aircraft exterior cleaning operations specified or referenced in T.O. 1-1-691. These pads are only approved for use on the standard coatings listed in T.O. 1-1-8. SPO approval is required for low-observable or other unique coatings. This interim approval remains in effective pending publication of this information in T.O. 1-1-691. This letter corrects erroneous NSNs contained in a previous letter.

NSN	Size	U/I: Box # pads per box
6850-01-525-7684	3.5" X 5" X 1"	6
7920-01-526-9015	3.5" X 5" X 1"	200
7920-01-526-9007	4.625" X 10" X 1"	100
7920-01-527-0128	4.625" X 10" X 1"	10
7920-01-526-9003	6" X 12" X 1"	50

2. In addition, these items can be procured through approved suppliers listed on the Air Force Corrosion Prevention and Control Office website at <https://afcpco.robins.af.mil/newstuff/archive>. Pads available for other commercial sources are not approved for use in cleaning operations specified or referenced in T.O. 1-1-691.

3. The AFCPCO POC is CMSgt Ronald Allison, DSN 468-3284, Comm 478-926-3286, or e-mail ronald.allison@robins.af.mil
